"Standing together, caring for one another."

PROPOSAL: Regentonians Benevolent Fund (RBF) Enhanced Member Benefits

To: All Members of the RBF

Subject: Ratification of the amendments to the RBF: Birthdays, Wellness, Outreach, and Mentoring

1. Milestone Birthdays Programme

We believe in celebrating the longevity and contributions of our members.

- **5-Year Milestones (e.g., 45, 55, 65):** Members will receive a Birthday Card and a **£30 Marks & Spencer gift card**.
- **10-Year "Round" Milestones (e.g., 40, 50, 60):** Members will receive a Birthday Card, a **£30 Marks & Spencer gift card**, and a **commemorative plaque**.
- **Delivery:** These items will be delivered via post or, where possible, through a personal visit from a fellow member.

2. Wellness and Get-Well Programme

To provide tangible support during difficult health challenges:

- **Criteria:** Upon notification that a member has become seriously ill for the first time, Administrators will assess the severity to trigger support.
- **Benefit:** A "Get Well Soon" card accompanied by either **£20 Marks & Spencer vouchers, grocery hamper to the tune of £20 or simply asking the member how they would like to receive support to the value of £20,** to assist with recovery. Members can ask not to receive this token.
- **Delivery:** Managed by the Pastoral Team via a personal visit or secure post.

3. Outreach Programme

To ensure no member feels isolated, there will be a proactive check-in programme:

- **The Team:** A dedicated group of 10 to 15 volunteers acting as the "eyes and ears" of the RBF.
- **Frequency:** Volunteers will be assigned a list of members to call at least **once a month** to check on their general wellbeing. This engagement is not limited to one call only.
- **Effectiveness:** Administrators will regularly check in with volunteers to ensure the program remains effective and responsive to needs.

"Standing together, caring for one another."

4. Mentoring Programme

We aim to leverage the professional wealth of our membership to foster growth:

- **The Concept:** Members can volunteer as mentors to help others develop new skills or improve current ones.
- **Development:** We are currently finalising the framework and criteria for matching mentors and mentees. More details will be shared as the program is built.

Financial Management Strategy

To protect our capital and earn interest, we seek approval to move from a single account to a **3-Tier Interest-Bearing Structure**:

1. **Current Account (Working Capital):** Maintained at **£1,500** for immediate disbursements.
2. **Instant Access Savings:** Maintained at **£1,500** for emergencies.
3. **Term Deposit (60-Day Rolling):** A minimum of **£5,000** to maximize interest growth.

The "Sweep" Logic:

- **Monthly:** Excess funds from the Current Account move to Instant Access.
- **Every 60 Days:** Excess funds from Instant Access move to the Term Deposit.

Eligibility Reminder: To benefit from these programs, annual contributors must have been members for at least **3 months**. Monthly contributors must have completed at least **6 consecutive payments** of £5.
